## Special Visitors and Events

**Wednesday, July 11<sup>th</sup> Blue Hills Reservation**  
Trails traverse upland and bottomland forests, marsh, swamp and pond edges, meadows and an Atlantic white cedar bog. A great variety of plant and animal life thrive in the diverse habitats.

**Monday, July 16<sup>th</sup> Acton Discovery Museum**  
The Discovery Museums mission is to inspire enduring curiosity and love of learning. Here, children discover open-ended, interactive exhibits that encourage exploration and imagination

**Tuesday, July 24<sup>th</sup> Arnold Arboretum in Jamaica Plain**  
The Arnold Arboretum of Harvard University is the oldest public arboretum in North America and one of the world's leading centers for the study of plant biodiversity.

**Wednesday, August 1<sup>st</sup> Musician Stacy Peasley**  
Local children's singer and musician, Stacey Peasley knows how to get the kid's dancing and singing. Singing both original and kid-favorites, Stacey brings props, instruments, and lots of energy to her musical performances!
